# Nurture, Outreach & Witness

John 6:60, 66-67 - *"Therefore many of His disciples when they heard this said, ' This is a hard teaching, who can accept it? "*

*...From this time many of his disciples turned back and no longer followed him. You do not want to leave too, do you?" Jesus asked the Twelve."*

Volunteering to be God's hands and feet here on earth isn't always easy, but the blessings received always outweigh the difficulty. Imagine being one of those disciples following Jesus here on earth and deciding it is "too difficult." How would you tell Jesus this is too hard? Jesus calls us together to be "The Body." Jesus knew that none of us can walk this journey alone, but together we can help each other. We need each other! All of our ministries are in need of more hands and feet. Won't you come and help as we work together, serving God and carrying out His plan for our church? Are you willing to help, but don't know what the need is? Even if you are limited on time, we will match your time with a need! The N.O.W. meeting will help you to better understand the needs and the future plans for the life of the church. Everyone is welcome! God has given you resources that we need. If you, like Isaiah, are willing to say "Here I am Lord, send me", join us on August 30th at 6:30pm and see how God plans to bless your willingness to serve!

**The next N.O.W. meeting will be held on August 30th at 6:30pm in the Fellowship Hall.**

You can tell we are Children's Ministry by that silly look on our faces!
